## To block acts with a deposit

**-This will guarantee your spots for the amount of acts you block.**

-Add in the number of routines you wish to block off & then click payment and the deposit amount will then show for that amount of acts.

**The Software will calculate 2 acts at a time that you block and pay a deposit for; le 3 to 4 acts will calculate a 50% deposit at 4 acts, Block 5 acts will calculate 50% deposit at 6 acts etc.**

## NEED TO BLOCK MORE THAN 20 ACTS? Please contact us direct

-Finalise the deposit payment to secure these spots and then you can at anytime go back into your account and do your registration of acts with ages, names, categories etc. Must be all completed before your closing date as listed for your zone. Deposit is non- transferable to another account.

The deposit payment you make comes off your final total due when you go back and add in your actual registration of acts.

**By creating and making a deposit for pre block is an agreement to all terms and conditions.**

## **HOTEL/APARTMENT GUESTS OF THE STAR CASINO- SHOWCASE**

If you are a guest at the Hotel or apartments and will reserve your room with us, the discount will be applied by Showcase only when you do an actual final registration payment, not at the time of blocking spots with a deposit.

**You will need to contact us here at Showcase to have this discount applied BEFORE final payment is made.**

Ensure you only block off for the amount of acts you need as any unused acts or not finalised by closing date will be a 100% cancellation fee. Unless your acts did not qualify.
