

— SOUTH PACIFIC — DANCE CHAMPIONSHIPS — AT SEA —

**Presented By Showcase Australian Dance Championships and
Hollywood Bound National Dance Championships**

As we prepare for the upcoming prestigious Dance Cruise, please take note of the following details regarding bookings and performance opportunities:

- **Cabin Bookings:** All cabin bookings must be made through our official travel partners, Kim and Amanda at MTA Travel. For any inquiries regarding your cabin bookings, please reach out directly to them for assistance in booking your cabins.
- **First-Come, First-Serve Basis:** All spots and bookings are allocated on a first-come, first-served basis. Once you secure your cabin with a deposit, we will tentatively block your space for solo and group performances. However, please note that these spots are not guaranteed until you complete your final payment.
- **Dance Cruise Qualifications:** The Dance Cruise is open to participants of all ages and levels. However, it is important to note that we have limited genres available on the ship. **Tap** routines are not permitted due to stipulations from the Cruise line. The following categories will be available for performances:
 - Jazz (includes Broadway Jazz, Show Dance)
 - Lyrical/ contemporary
 - Hip-Hop
 - Open Category (any style excluding tap)

All rules that are listed on the Showcase and Hollywood Bound website will be in effect.

- **Performance Spaces:** Due to limited performance times, we will implement a table outlining the number of performances you can do based on the number of cabins booked. Once your final payment is processed, registrations will open early 2026 to register your acts, and we will confirm your performance spots based on your original booking time.

*We reserve the right to reduce the spots once we start to fill for later cabin bookings.
